### ***January 18, 2010***

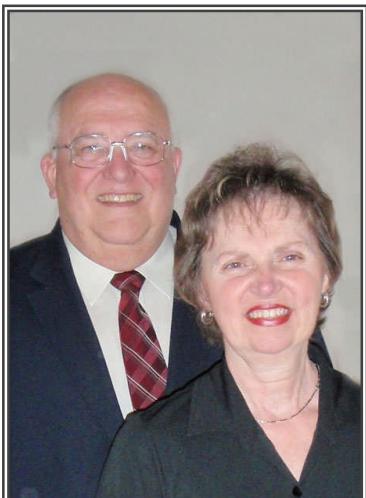

Dear Friends,

Greetings to you all in the New Year! We wanted to get off a quick note and share a few important prayer requests with you.

**TRIP TO SACRAMENTO:** On February 16<sup>th</sup> Mike will be flying up to Sacramento for a meeting concerning the possible parole of a young man named José. Like Elias, who we told you about in our last letter; José was saved a few years ago in prison. He and Elias were part of the same Bible study group and grew together in their walk with the Lord. We've been corresponding with José for a while and have been impressed with his love for the Lord and desire to serve Him. Please pray with us for his release.

**ELAINE'S MOTHER:** On Christmas Eve Elaine's mother had what the doctors described as a flurry of mini strokes. She fell and spent the next hour trying to get up. She succeeded, only to fall again. It was then that Elaine arrived to pick her up for a family get together. Elaine recognized the symptoms of a stroke, gave her an aspirin, and took her straight to the hospital where she spent the next four days. It's no longer possible for her to live alone; she now lives with us. She did really well for about two weeks but then started having problems with her breathing. She is back in the hospital. We would appreciate your prayers for her. Her name is Audrey.

**BRANCH WORK IN SAN JUANITO, MEXICO:** We praise God that the work is progressing well in San Juanito. A good number of folks have been saved. Carlos is already making plans to start a Bible Institute there using our DVD courses. Continue to pray for Carlos and Lissette. Their belongings are still "stuck" in U.S. Customs because of problems with the shipping company. At this point there doesn't seem to be anything we can do. Please pray for a solution.

**ANNIVERSARY:** In just a few days Elaine and I will celebrate our 43<sup>rd</sup> wedding anniversary. We praise God for the measure of health He has given us making it possible for us to continue to labor as your missionaries in His service. We appreciate you and the important part you have in our ministry. Your prayers make a difference, so keep praying! Thank you for your love and your continued support.

Your servants and His,

Mike and Elaine McCubbins
