Reaching the lost and Training leadership

MARCH 26, 2014

Dear Supporters,

On January 20th Elaine and I celebrated our 47th wedding anniversary. The years have flown by and we are truly thankful to God for His bountiful blessings in our lives. Many of you have known us and supported us since we were young. We trust that God grants us the health and strength needed to continue serving Him for many years to come.

NEW YORK: I recently received an email from Pastor José Saravia, the pastor of "Iglesia Bautista Internacional" in Astoria, New York. He was letting me know that their church had officially begun their Bible College classes using our DVD courses. This came about as a direct result of the Bible Conference that I had with them back in September. We thank God for this group and pray that their enthusiasm will spread and many more will make the commitment to "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

EL SALVADOR: In February I was in El Salvador for a week of meetings with Pastor Cayetano Fuentes of "Iglesia Bíblica Bautista." I had a very full schedule while I was there. I taught sessions each morning and afternoon that were geared for pastors and church leaders.

These sessions were well attended and included twenty-two pastors who came from the area as well as other countries.

The services I preached in the evenings were for the entire church. God used His Word in hearts and nine individuals trusted Christ as Savior.

This church has also started a branch of our DVD Bible College. While I was there I got to meet most of their students. Pastor Fuentes, seen at the far right of the picture below, is also taking the classes.

PRAYER REQUESTS: Please pray for Mike; he is presently in Guatemala for a week and a half of meetings. He should be returning home April 5th. This is proving to be a difficult trip for him; two weeks prior to making the trip he had surgery on his left foot.

From May 2nd through the 11th he'll be in Honduras for Bible College oral exams and graduation.

THANK YOU: We're so thankful for the privilege God has given us to serve Him. We love Him and the work He has called us to do. Thank you for laboring with us through your faithful gifts and intercession on our behalf. You are such a blessing to us!

For we are labourers together with God... 1 Corinthians 3:9

Your servants and His,

Mike and Elaine McCubbins
