Reaching the Spanish-speaking for Christ

May 4, 2009

Dear Supporters,

We want to thank you for praying for us while we were in Mexico. God really blessed our time there. The meetings during the day were held at Messiah Baptist Church, but in the evenings they were held in a rented auditorium to accommodate the larger attendance.

One of the highlights of the conference was seeing a group of graduating seminary students receive their diplomas. All of these students studied courses that I taught via videotape for Oremex Ministries in years past. I did not personally know **any** of these students; but thank God, He allowed me to have a part in their training.

Betty, one of the ladies at the conference was a special blessing to us. She opened her home to us which meant we got to enjoy a king sized bed and air conditioning each night. Betty worked hard in the background and played a pivotal role in making the conference the success that it was. She suffers with Rheumatoid Arthritis, but did not let that stop her from getting up at 4 am each morning and heading to the church to begin meal preparations for the conference.

On the 22nd of April, Elaine's mother had lower back surgery. Since her release from the hospital, she has been staying in our home with us. She is recovering well but continues to suffer with the same pain that she had prior to the surgery. The neurosurgeon warned her that the surgery might not help. We would appreciate your prayers for her.

Carlos and Lissette DiLeo arrived on the 29th of April. They are also staying with us. Pray for them, that there won't be any complications in getting their paper work done so that they can move down to San Juanito, Mexico and begin to work full time in our branch work. Pray that God will supply for their needs and use them mightily for His honor and glory.

Keep praying for the DVD ministry. I teach and record an entire course every three weeks. It is exhausting but well worth the work.

Thank you for continuing to stand with us. Your prayers and gifts are greatly appreciated.

Your servants and His,
Mike and Elaine McCubbins
